## **About the Philanthropy Innovation Summit**

The Philanthropy Innovation Summit is a biennial event that convenes individual and family philanthropists to discuss strategic and impactful giving in a non-solicitation environment. The 2019 event will be the fourth Philanthropy Innovation Summit hosted by Stanford PACS, and will include panel discussions, armchair interviews and intimate philanthropy salons.

This invitation-only event is designed for individual philanthropists with the ability to give six-figure annual support to the issues about which they care. Philanthropists with varying levels of experience and diverse backgrounds are encouraged to attend.
